**City Index Voted Best Online CFD Provider**

City Index, a global leader in Contracts for Difference, FX, and spread betting has been awarded Best Online CFD Provider 2009 at the MoneyAM Online Finance Awards.

MoneyAM polled over 5,000 retail traders and investors who cast their votes on a number of categories and chose City Index as their preferred provider for online CFD trading. This reflects the increase in popularity which City Index has seen with thousands of new customers choosing to trade CFD’s online with City Index.

Brett Miller, Chief Marketing Officer at City Index said:

“This award is the best kind to receive since it is a true measure of customer satisfaction, and is not biased by media spend or favouritism. Over 5,000 investors voted, and City Index was their CFD trading platform of choice. That is a strong statement, and reason for traders to give our platform a try.”

By trading with City Index, clients benefit from the expertise of one of the world’s leading providers. The innovative trading platform offers real time access to markets around the world including global equities, indices, currencies, commodities and interest rates. Key features of trading with City Index include:

- Online and mobile trading
- Low margins and tight spreads
- Absolute price transparency across 12,000 markets
- Instant account access 24 hours a day, 7 days a week
- Sophisticated trading tools and charting
- Latest market news, economic data and company announcements.

**About the City Index Group**

City Index Group is one of the leading global providers of retail trading services, transacting in excess of 1.5 million trades per month for the group’s customers around the world. City Index trading platforms give access to thousands of derivatives on global financial markets, including Contracts for Difference (CFDs), Foreign Exchange (FX) and spread betting, 24 hours a day, 7 days a week.

The Group trades primarily under the City Index, Finspreads and FX Solutions brands and also provides a fully outsourced white label solution to numerous partners.

Founded in 1983, the City Index Group is owned by Intercapital Private Group Limited (IPGL Limited) and Francisco Partners, one of the world’s largest technology focused investment firms. IPGL is a substantial shareholder in the world’s biggest institutional derivatives broker, ICAP plc, a member of the FTSE 100 Index.
