

16th February 2009

New Customers to trade CFDs Commission Free with City Index. 0% commission on CFD trades until 30 April 2009

City Index, one of the leading providers of retail CFDs and spread betting, is offering new customers 0% commission on all CFD trades. From 16th February customers who open an account with City Index will be able to trade CFDs commission free for four weeks. The offer is open until the end of April 2009.

Key features of online CFD trading with City Index include:

- Low margins and tight spreads
- Absolute price transparency across 16,000 markets
- Instant account access 24 hours a day, 7 days a week
- Sophisticated trading tools and charting
- Latest market news, economic data and company announcements.

By trading CFDs with City Index, clients benefit from the expertise of one of the world's leading providers. The innovative trading platform offers real time access to markets around the world including global equities, indices, currencies, commodities and interest rates.

Alexis Webster, Commercial Director at City Index said:

"CFD trading has seen a huge surge in popularity over recent months as traders have taken advantage of unprecedented market volatility. Our commission free trading offer is designed to encourage CFD traders to try the City Index service and see the benefits of our innovative platform for themselves."

About City Index

City Index Group is one of the leading global providers of retail trading services, transacting in excess of 1.5 million trades per month for the Group's customers around the world. City Index trading platforms give access to thousands of derivatives in global financial markets, including Contracts for Difference (CFDs), Foreign Exchange (FX) and spread betting, 24 hours a day, 7 days a week.

The Group trades primarily under the City Index, Finspreads and FX Solutions brands and also provides a fully outsourced white label solution to numerous partners. It employs over 300 staff across 6 offices in the UK, United States, China, Singapore and Australia and has partnership relationships throughout Europe, North America, Australia and the Middle East.

Founded in 1983, City Index Group is backed by Intercapital Private Group Limited (IPGL Limited) and Francisco Partners one of the world's largest technology focused investment firms. IPGL is a substantial shareholder in the world's biggest institutional derivatives broker, ICAP plc, a member of the FTSE 100 Index.
