

## **CITY INDEX APPOINTS SANDY JADEJA TO PROVIDE UNRIVALLED TECHNICAL ANALYSIS AND INVESTOR EDUCATION**

London, UK, 5th June 2010 - City Index, a global leader in Spread Betting, Contracts for Differences (CFDs) and margined foreign exchange, is pleased to announce the appointment of Sandy Jadeja as its Chief Technical Analyst. Sandy is widely acknowledged as being one of the industry's leading technical analysts, with 23 years of international experience in technical analysis, trading psychology and global financial markets commentary, with his seminars being independently recognised for their high standards.

Sandy's role at City Index will include running seminars on using technical analysis for trading and investing, helping develop educational products and services and providing regular and timely technical market commentary and analysis.

Commenting on the appointment, Keith Goldson, European Head of Marketing at City Index, said: "Sandy is one of the industry's most respected and widely recognised technical analysts. His experience will help City Index to educate its current and new retail trading clients about how technical analysis can be used to help spot market trends and trading opportunities, adding yet another tool in a trader's armoury. We are absolutely delighted to have Sandy on board."

Prior to joining City Index and since December 2009, Sandy was the Chief Market Strategist at Capital Market Services, the FX-focused trading platform provider. Before his time at Capital Market Services, Sandy held various senior positions at retail trading providers and brokerages, including Chief Market Strategist and Global Head of Training at ODL Securities where he oversaw the development of trading seminars, market commentary and raising brand awareness in Europe, US, Russia and China. Previous to ODL Securities Mr. Jadeja was Chief Technical Analyst at Finspreads alongside IFX Markets.

Joshua Raymond, Market Strategist at City Index, added: "Sandy's unrivalled experience in technical analysis combined with having developed various educational products complements our philosophy of putting education right at the forefront of our offering. With such uncertainty in the markets at the moment, we are committed to giving our clients as much support and guidance as possible. Sandy's appointment will no doubt prove a valuable asset to City Index and our customers".

Sandy Jadeja, Chief Technical Analyst at City Index, said: "I am delighted to be joining City Index, one of the world's leading names in global retail trading. The company has become known for its creativity and innovation in the industry. Its dedication to educating its audience about the opportunities in trading the markets, as well as teaching new Trading Strategies which will now include using Technical Analysis and Chart Patterns was a big attraction."
