\*All New Approved Clients Globally Through FOREX.com since 2019

# A history of FOREX.com

# The FOREX.com experience

## Superior execution and low costs

### Superlative variety of trading instruments

Trade with transparent pricing and fast, reliable trade executions on over 80 currency pairs plus CFDs: Gold, Silver, Indices and Shares.

- Advanced trading platforms designed for active traders
- Clear, reliable pricing and superior trade executions
- Market leader with a proven record of strength and stability
- Access to local stocks CFDs, including Emirates NBD, Emaar Properties PJSC, Abu Dhabi National Energy Company and Saudi Aramco

### Quality execution on every trade

We deliver an exceptional trading experience with superior execution and low costs. Many brokers claim to have superior execution, but do they have the data to prove it? We do.

### Transparent, competitive pricing

Every trade comes with clear, competitive pricing. Simple and transparent.

# Our account types

We offer multiple account types that cater to every trading style – from competitive spreads with no commissions, to razor-thin spreads with fixed commissions.

- **Advanced trading platforms with customizable interfaces**
- **Trade Forex, equities and more, all on one account**
- **Fast, reliable trade executions**

## Standard Accounts

For traders opening a Standard account, we offer a choice of platforms – FOREX.com award-winning, state of the art proprietary trading platform or the popular MetaTrader platforms. Your cost is the spread, no commissions.

- Dedicated trading platforms with thousands of markets to trade
- Exclusive in-platform tools, market news and analysis

## RAW Spread Account

For traders looking to gain every advantage in the FX market, we now offer a RAW Spread account that takes spreads as low as they can go and with minimal, competitive commission.

- Major FX pairs with spreads from just 0.0\*
- Trade as little as one micro lot (1,000)

## Innovative tools

- Performance Analytics: Real-time feedback to help you become a better trader
- FX Blue: Automated, robotic trading with our exclusive EAs for MetaTrader

*\*Plus commissions. RAW Spread Account only.*

## Active Trader program

Designed for high-volume currency traders, the Active Trader program delivers exceptional customer experiences tailored to your unique needs:

- Reduced trading costs by up to 15% with cash rebates
- One-on-one support from an experienced Market Strategist
- Reimbursement on bank fees for wire transfers

## Exclusive Events & Loyalty rewards

As a Premium Client you have access to an exciting range of Professional, Sporting and Social events, free of charge. When you register your interest in our upcoming events, you can look forward to face-to-face meetings with industry speakers, like-minded traders and our dedicated Premium Client relationship team.

## Premium

As a Premium Client you automatically qualify for our lowest cost on spreads, commission and financing. You also get access to the latest daily news and webinars put together by our international team of market and trading experts.

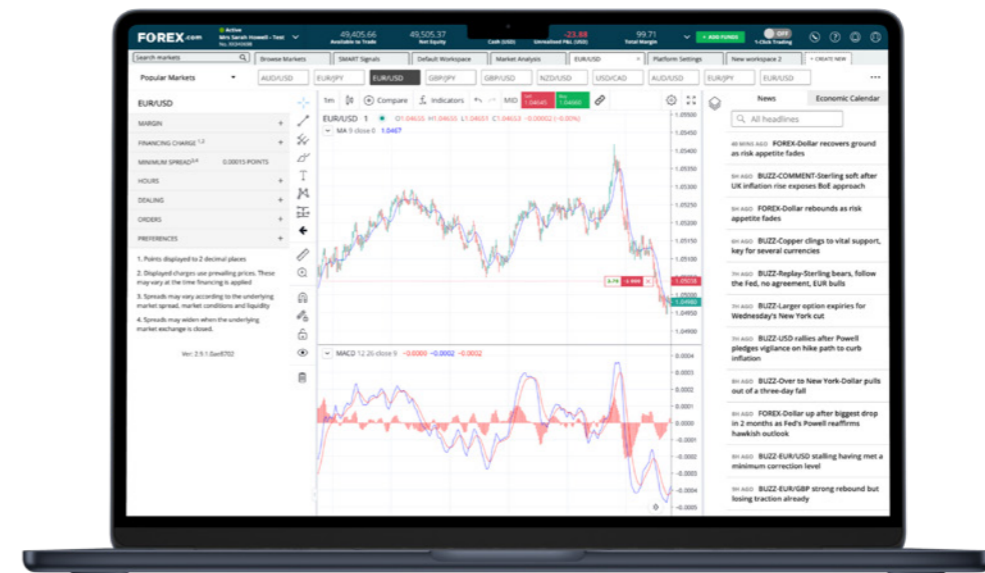

# Smart trading platforms

Our powerful suite of trading platforms is designed for maximum performance, flexibility and speed.

# Web Trading

Accessible from all browsers and operating systems, web trading's intuitive design and rich features give you superior control of your trading strategies. Charts are powered by TradingView with 100 indicators, 14 timeframes and ten chart types.

- Smart trade ticket with advanced risk management options
- Advanced order types and features such as the "close all" button, amalgamated positions, and the ability to set a price tolerance (to adjust for slippage) on orders
- Pre-defined and customizable layouts
- Powerful charts with integrated one-click dealing
- Charts can be saved and used as a default template for new charts

# The complete MetaTrader Suite

Choose from either MT4 or MT5 with ultra-tight spreads, exceptional trade executions. Unlike standard MetaTrader platforms, our MetaTrader suites provide you with full access to Reuters News, FOREX.com research, Trading Central technical analysis and account management tools. Apps for android, iPhone and iPad are also available.

## Financials

View your balance, available equity and margin at a glance.

## Open Positions & Active Orders

View your open positions with P&L and active orders all in one place.

## Dashboard

View all your trading activity and manage your account.

## Popular Markets

View the most popular markets or set up your own watchlists.

# Award-Winning Mobile App\*

Our new mobile app boasts an intuitive and fully customizable interface to suit your trading needs.

# TV TradingView
